Dear Parents,

As you are aware that state authorities of Uttarakhand have allowed re-opening of schools with effect from 1st APRIL 2021 by observing SOP as released by state authorities from time to time. In this regard parents have to give a consent letter in writing to the Vidyalaya before sending their wards to school. Parents must ensure that their ward is physically fit and has no medical issue which is infectious in nature and also monitor the same on day to day basis before sending their wards to schools. If any medical issues/symptoms are observed/developed in your ward, you must intimate Vidyalaya authorities immediately and must refrain from sending your ward to Vidyalaya so as to prevent further spread of the disease and to safeguard other students and teachers.

PART-B

1.	Is your ward experiencing any of the following symptoms:	YES/NO
	(a) Cough	
	(b) Fever	
	(c) Difficulty in breathing	
2.	Does your ward have any of the following medical issues:	
	(a) Diabetes	
	(b) Hypertension	
	(c) Lung Disease	
	(d) Heart Disease	
3.	Has your ward recently travelled to containment zone as declared by concerned state authorities?	
4.	Is there any Covid-19 positive member in your family? If Yes give details separately.	

PART-C

I (Name of parents) hereby give consent to send my above mentioned son/daughter to vidyalaya as per time table framed by the Vidyalaya. Further it is my responsibility to arrange proper transportation (to & fro) for my ward to attend vidyalaya. I also assure that my ward will follow SOP (use of mask, sanitizers & gloves etc) framed by Vidyalaya & government as well as to safeguard from COVID-19. There will no sharing of eatables and stationery by my ward.
